**WHEREAS**, the Board has a substantial public interest in protecting the health and safety of its students, staff, and community by reducing the spread of COVID-19 to the greatest extent possible; and

**WHEREAS**, the Texas Education Agency, in its *SY 20-21 Public Planning Guidance*, (“Guidance”) updated as of July 17, 2020, has provided that, in order to facilitate a safe, effective back-to-school transition process, school districts may limit access to on-campus instruction during a period up to the first four weeks of school; and

**WHEREAS**, the Guidance also states that school districts may extend this limit on access to-on campus instruction by an additional four weeks, for a total of eight weeks; and

**WHEREAS**, the District, through its Board of Trustees, has determined that, in order to facilitate a safe, effective back-to-school transition process, it is necessary to temporarily limit access to on-campus instruction during the first eight weeks of school. As such, remote learning will be offered by the District until October 9, 2020.
