Based on Governor Abbott's Executive Order limiting social gatherings to no more than 10 people, we are taking all necessary steps to help contain the spread of COVID-19. Accordingly, District Board meetings will be closed to the public in order to abide by the Governor's Order. However, in an effort to conduct public business in a transparent manner, the District will continue to live stream all District Board meetings. District Administration will also ensure that no more than 10 people are gathered in any one place during Board meetings. All individuals present at a District location will have their temperature checked by a school nurse as they walk into the District building.

Further, the District's Board agenda will also include the following information:

Members of the Public may participate by accessing the live feature on our District's website following the following video link:

Members of the public are invited to submit their public comments via email prior to the start time of the meeting. Communication from Citizens will be submitted via email to [citizencommunications@eisd.net](mailto:citizencommunications@eisd.net). Public comments should pertain to agenda items only.

Thank you very much for your continued support of the District's during these difficult times for everyone. We wish that everyone continue to stay safe.
